

Dear Parent/Guardian:

Our school provides healthy meals each day. Breakfast is served every day at no charge at all sites. Full paid lunches are \$2.40 in elementary and \$2.65 in secondary. Milk is available for .50 cents.

Your children may qualify for free or reduced-price school meals. To apply, complete the enclosed Application for Educational Benefits following the instructions. A new application must be submitted each year. At public schools, your application also helps the school qualify for education funds and discounts.

State funds help to pay for reduced-price school meals, so all students who are approved for either free or reduced-price school meals will receive school meals at no charge. State funds also help to pay for breakfasts for kindergarten students, so all participating kindergarten students receive breakfasts at no charge.

Return your completed Application for Educational Benefits to: **Child Nutrition Department, Room 305, 215 N 1st Avenue East, Duluth, MN 55802.**

Who can get free school meals? Children in households participating in the Supplemental Nutrition Assistance Program (SNAP), Minnesota Family Investment Program (MFIP) or Food Distribution Program on Indian Reservations (FDPIR), and foster, homeless, migrant and runaway children can get free school meals without reporting household income. Or children can get free school meals if their household income is within the maximum income shown for their household size on the instructions.

I get WIC or Medical Assistance. Can my children get free school meals? Children in households participating in WIC or Medical Assistance may be eligible for free school meals. Please fill out an application.

Who should I include as household members? Include yourself and all other people living in the household, related or not (such as grandparents, other relatives, or friends).

May I apply if someone in my household is not a U.S. citizen? Yes. You or your children do not have to be U.S. citizens for your children to qualify for free or reduced-price school meals.

What if my income is not always the same? List the amount that you normally get. If you normally get overtime, include it, but not if you get overtime only sometimes.

Will the information I give be checked? Yes, and we may also ask you to send written proof.

How will the information be kept? Information you provide on the form, and your child's approval for school meal benefits, will be protected as private data. For more information see the back page of the Application for Educational Benefits.

If I don't qualify now, may I apply later? Yes. Please complete an application at any time if your income goes down, your household size goes up, or you start getting SNAP, MFIP or FDPIR benefits.

Please provide the information requested about children's racial identity and ethnicity, which helps to make sure we are fully serving our community. This information is not required for approval of school meal benefits.

If you have other questions or need help, call 218-336-8707.

To help your child, your school and yourself, please submit your free and reduced lunch application by the September 30, 2016 deadline.

Why is it important to turn in the free and reduced lunch application by September 30, 2016? In order for your school to receive extra federal funding (which can keep classes small), our district must submit your application to the federal government by September 30, 2016. Applications sent to the federal government after that time will not help schools receive extra funding. Also, if you don't submit the form and aren't able to pay your lunch bill, the federal government may not reimburse your school for all your child's meals. In short, your school loses money.

An additional benefit for families of students that are in activities is that they will pay a lower fee or no fee for participating in an activity if you qualify for free or reduced lunch.

What happens if I turn in the application later in the year?

You will still be eligible for free or reduced lunches, but you won't help your school qualify for extra federal funding. Also, some families are not able to pay their lunch bill and build up a debt. Then, later in the year, they submit an application. Unfortunately, the federal government will only reimburse your school for the last 30 days worth of lunches. In other words, if a family goes into lunch debt over a period of 90 days and then files a free and reduced lunch application, the district will receive reimbursement for the last 30 days worth of lunches, not all 90 days of lunches.

Does the district "forgive" lunch debt if a family later turns in an application?

The district no longer "forgives" outstanding lunch debt. Consistent with the treatment of other debts owed to the district, all outstanding debt related to the lunch program will be subject to handling by a collection agency.

How often do I need to fill out the application?

You must submit a new application each school year. You need just one application per family with names of all the adults and children who live in your household.

Payment for lunch is expected at the time the meal is served. Payments are to be sent to the school cafeteria in an envelope, labeled with the student's name, ID number and grade. A \$30 service charge will be added to all returned checks. Payments can also be done on-line at www.paypams.com. PayPams charges a \$1.95 fee for each student payment. Account balances are also on the parent portal in Infinite Campus.

Can you help me if I have trouble filling out the application?

Yes, if you need help with the form, please call the Child Nutrition Department at 336-8707 and they will be happy to assist you. Forms are available in the following languages: English, Hmong, Cambodian, Laotian, Russian, Somali, Spanish and Vietnamese.

REMINDER: Breakfast is served every day at all Cafeterias in the school district. Remember that breakfast is the most important meal of the day. Breakfast is served at no charge to students.

Send the completed form to: Child Nutrition Department, Room 305, 215 North First Avenue East, Duluth, MN 55802.

Privacy Act Statement / How Information Is Used

The Richard B. Russell National School Lunch Act requires the information on this application. You do not have to give this information, but if you do not we cannot approve your child for free or reduced-price school meals. You must include the last four digits of the Social Security number of the adult household member who signs the application. The last four digits of the Social Security number are not required when you apply on behalf of a foster child, or you provide an MFIP, SNAP or FDPIR assistance number, or you indicate that the adult household member signing the application does not have a Social Security number.

Only authorized officials will have access to the information that you provide on this form. We will use your information to determine if your child qualifies for free school meals, and for administration and enforcement of the school meal programs. We require written consent from you before sharing information for other purposes.

Please provide the requested information about children’s race and ethnic identity. This information is not required and does not affect approval for program benefits. We use the percentages of participants in each racial/ethnic category to check that our program is operated in a nondiscriminatory manner in compliance with federal civil rights laws

At public school districts, each student’s school meal status also is recorded on a statewide computer system used to report student data to the Minnesota Department of Education (MDE) as required by state law. MDE uses this information to: (1) Administer state and federal programs, (2) Calculate compensatory revenue for public schools, and (3) Judge the quality of the state’s educational program.

Information provided on this form may be shared with Minnesota Health Care Programs, unless the person completing this form has checked the box in Step 4 to not share information for that purpose.
