

PERMISSION SLIP FOR EDUCATIONAL FIELD TRIP

Dear Parent/Guardian:

During the 2016-2017 school year, students enrolled in the ALC seat-based program will be taking field trips to various places in the Duluth/Superior area. These trips will encourage community building amongst students and staff, as well as be included as enrichment activities for the classroom.

The Board of Education requires that we have written permission from each parent/guardian for their child to take these field trips. If you are willing to have your child take part in both the educational field trips and fun excursions, please sign this document for our school to keep on file.

This permission slip **MUST** be signed and returned for students to participate in field trips. Please return permission slips as soon as possible.

Thank-you,

ALC Administration and Staff
